APRIL 2022

Our April Sock Hop had 51 dancers in the hall, many in "costume". There were 7 clubs represented besides ours and callers Gene Miller and Stan Brooke, as well as line dance cuer, Carolyn Goucher also joined us. We started with an old mixer that was well received, and Dan did a great job of researching and using rounds from the 50s and 60s. There was lots of laughter and many smiles and I received a number of compliments. Thanks for making our guests feel welcome.

Dan Robinson's improvement was short lived. Since then, he has had 2 surgeries (one of those as an emergency) and a terrible reaction to medication. He has been discharged from the hospital but it looks like he will need home health for quite a while. I know he could use and would appreciate our prayers.

We ended up with 5 very enthusiastic students. Lessons are going well and 2 of our students even came to our dance just to watch. We can always use angels. Also, we are planning to start at 6:30 and go through a couple of Plus movements each week for those who would like to learn plus. We'll need some angels for that, as well. Come join the fun.

Carol Hershey has once again generously offered her home for our club picnic/pot luck. We will have it on Sunday, June 12th. We plan to gather around 5 and eat shortly thereafter. The club will furnish the meat, as usual, and we ask everyone to bring a salad, veggie or dessert. This is a great time to get to know everyone. We'll have an informal meeting, of sorts, to choose the themes for next season. I have to have that information turned in to the Federation by the end of June. Let's get creative. We can also discuss ideas for a club trip at this time. Thanks to COVID, it's been a couple years since we've done this and I'm looking forward to getting back to it.

The Kansas State Square Dance convention will be held in Salina on June 3rd and 4th. Mike Bramlett from Garland, TX will be the featured caller and he is fabulous. Fun and easy to dance to. I hope many of you will plan to attend. Let me know and maybe we can reserve a block of rooms somewhere or plan a side trip on the way home.

July 15th and 16th is the Summer Weekend Getaway in Johnson, NE with Lanny Weakland and Mike Hogan. Mark this on your calendars and we'll have more information at a later date. This is a Mainstream weekend with announced plus tips so everyone will be able to participate. This is held in Johnson but we stay in Auburn, just a few miles down the road. We usually take a square or more so it's always a good time. If you think you would be interested in going let me know and I will reserve a block of rooms. If something happens that you can't make it, the room can be cancelled but at least you will have one. You pay at the door so there's no advance expense.

For those of you who are new to the club, we sponsor dances in the summer time with traveling callers. These are not "club" dances and not part of your membership so everybody pays. We don't do refreshments at our specials and the dance format is a bit different. We dance Plus from 7:30-8 and Mainstream from 8-10pm. All of our summer specials are casual attire. The special dances are listed on page 2 of the newsletter under Special Dances and in blue.

From your friends at
BNR Squares*

Below are our scheduled visitations. Please let Leann know if you will be able to join us on our visits **or not**. Even if the answer is no, she needs to hear from you. In order for a visitation to count for the Heart of America Federation, we need 6 members to visit. If we are retrieving our banner, we need 8. I want to thank you all for supporting our visitation schedule - and for getting the NW District visitation card signed when you venture out on your own. Without all of you, we couldn't have the successful program we have.

There are no dances scheduled in our area on the last weekend of April, however the NE District dance will be held in Brookfield on the 30th. If you would like to go, let me know. They use guest callers and I will be one of them.
