The Live Wires Love New Students!

If you've graduated anytime between June 1st, 2024 to March 7th 2025, then mark your calendars for a fun Student-Focused Dance!

The Live Wires love new dancers - this is how we keep square dancing alive in Missouri and Kansas! Which is awesome because it is deemed Missouri's State Dance! We want to welcome all new dancers who have graduated from mainstream square dance lessons to come to our First Friday Dance! Of course all dancers are invited from all the clubs to help be angels and have a good time. Students will not be charged a donation fee at the door.

Angels, thank you for your donation.

March 7th, 2025
