## JUNE 2024

### A little Father's Day Trivia – Happy Father's Day!

Father's Day was first celebrated in 1910, but was not an official National holiday until 1972.

The most common gifts on Father's Day are BBQ grills, tools, cooking gadgets, neckties, and razors.

The most common "breakfast in bed" for Fathers is bacon, eggs and pancakes!

Approximately \$20 Billion is spent on Father's Day gifts.

"When I was a boy of 14, my father was so ignorant I could hardly stand to have the old man around. But when I got to be 21, I was astonished at how much the old man had learned in seven years."

Mark Twain.

"A father is a guy who has snapshots in his wallet where his money used to be." Unknown
