JULY 2024

A LITTLE INDEPENDENCE DAY TRIVIA!

Thirty-one states have a city named "Liberty", including Liberty, Missouri, which just happens to be the city named Liberty with the largest population of the 31 cities named Liberty. (Aren't we special!)

All 30 major league baseball teams will play on July 4th this year.

The first July 4th celebration at the White House in 1801 heralded music, food and horse racing. Dwight David Eisenhower added "under God" to the Pledge of Allegiance in 1954.

The population of the United State was approximately 2.5 million in 1776, compared to 340 million Americans today.

Approximately one billion dollars will be spent on fireworks and 10 billion to celebrated July 4th this year. American's will consume 150 million hot dogs this July 4th.

John Adams and Thomas Jefferson both died on July 4, 1826, the 50th anniversary of the country's independence.

In Philadelphia, at 2 p.m. EST, the Liberty Bell rings 13 times every Independence Day to honor the 13 original states.

The club planning meeting on Monday, June 10, was a huge success. Thanks to all who came and helped plan our upcoming year of dancing and fun. The food was delicious!
