Presidents' Notes

How many new students did you graduate? The majority of the lessons are probably over and now it's time to get your new dancers to travel with you and be exposed to new callers. It's a challenge and a little scary to hear a voice other than your teacher's. Encourage!!

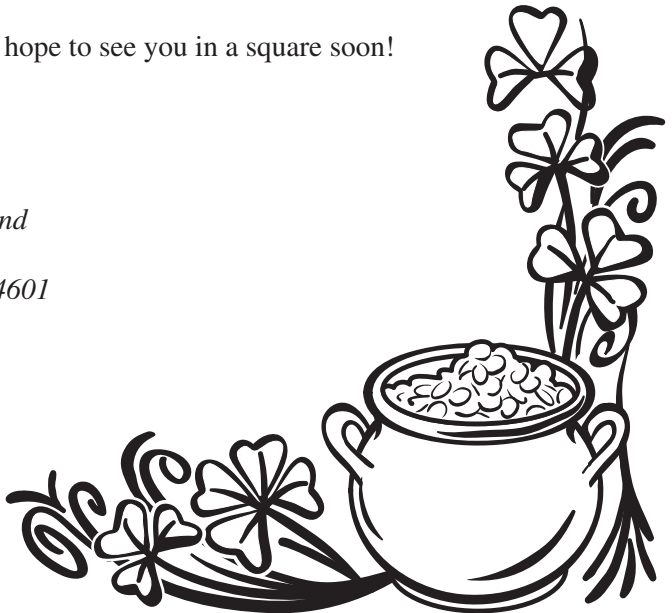

By taking your new dancers with you, you can introduce them to "Travel Missouri" and see how fast their travel badges fill up. Any questions contact Ed and Sheryl Schofield in West Central District.

Get your calendars out and list all the district dances and special dances. Visiting is the name of the game. Also, pre-register for the State Festival in Lebanon in October, hosted by Central District. We all benefit from your attendance.

Good dancing! We hope to see you in a square soon!

Editors' Notes

We are down to 17 clubs who have not sent us their 2007 schedule. I debated whether to print their names here, but decided not to embarrass anyone. I have e-mailed all those we are missing, so you know who you are.

Thanks to everyone for sending early in the month of February for the April magazine.

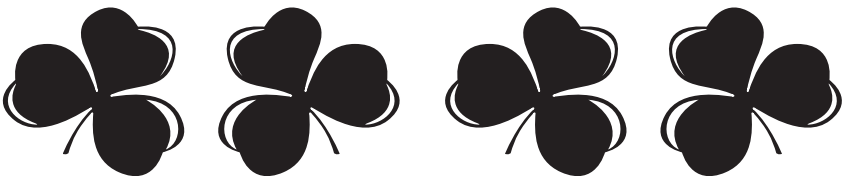

And since we are on a roll sending early, we have one more really big favor to ask – PLEASE SEND ARTICLES FOR THE MAY ISSUE BY MARCH 23 IF POSSIBLE. Jim and I will be gone to the Wichita Pre-Convention the entire week of the 26th-31st. We will be working out of a hotel room to get the articles all ready to get to the printer and meet OUR deadline. We will not have time to contact you and get late articles.

We had one lost article for the February Doin's. That is why fax is not my favorite way to get the articles. You don't get a confirmation that it is received (and I have to type it up). But we take 'em any way we can get them. (E-mail is my favorite.)

Remember – e-mail subject line – CLUB NAME first!

My father, Wilber Pete Lewis, would be 80, March 23. He is remembered as one of the best square dancers in Dent County. In honor of him, Debbie Lewis Baker, is the spotlighted dancer this month. I graduated mainstream, March 20, 2004. I thank Daddy and others who kept square dancing alive in the 40's and 50's for us.

Spring refers to springing forth of new and revived life and a time of new beginnings and fresh starts. The poem, I Love You, says, "Springtime, the land awakening;

The March winds are the morning yawn." We will be in love with spring and dancing as we attend dances in March. March 3, Doug Mallory calls our dance to encourage us in this time of new beginnings. We will have a mystery caller for the March 17 dance.

March is spring cleaning month, an excellent time to add beauty to our clubs and lives. "Forget the former things, see I am doing a new thing!" Find some new and beautiful things to do in your clubs and lives this month.

We round dancers have danced away the month of February getting back into the “groove” since Barb and Steve are back from vacation with a new and entertaining assortment of dances. We’re truly grateful to Barb and Steve for taking the time and effort to provide a varied and challenging dance program for us.

Since spring is near I DON’T FEEL BAD ANY MORE. I’m the KING OF THE ROAD. Recently I took the NIGHT TRAIN to NEW YORK NEW YORK where I met a NAUGHTY LADY named ELVIRA. I was ALL SHOOK UP when she said COULD I HAVE THIS DANCE. Taking a TASTE OF THE WIND, I said TURN YOUR RADIO ON. She replied LET’S

GET HOPPIN’, and NO WALLS could keep us from ROCKIN’ TO THE RHYTHM OF THE RAIN. When a FIREMAN said turn your SPINNING WHEEL around and get your CRAZY EYES out of here, we asked for FIVE MINUTES MORE. HALLELUJAH, he said with FEELING, to FOLSOM PRISON you’re going, ADIOS.

We’ll see you around a round.

Spring forward this month with the beginning of daylight savings time on the 11th. 2007 is the first year it begins in March. This shifting of one hour of daylight from morning to evening doesn’t actually save any daylight, but it does save energy use. A concept of Ben Franklin widely in practice around the world today, daylight savings time has its dissenters and is not used in some countries, our

Save your energy during the week so you'll have plenty of spring in your step on the dance floor with our two great callers this month. Gentlemanly John Eubanks of Joplin, a good basic caller, is here on the 4th. The ladies may swoon and the men want to spoon when dapper Vic Perry from Lawrence, Kansas beautifully croons a tune with his rich, deep voice on the 18th. This is also a hot dog dance, so bring your appetite!

Has spring sprung, or is it just Unwinding? Whatever the weather outside, you can be assured it's always pleasant inside our dance hall.

On the 11th of this month our Wearin'-of-the-Green dance will be called by 'Gentleman' Jim Jefferies. Whether you're Irish or not, don your green duds and join us for a

great old toe-tapping time. March 25th will bring Dave Atkinson to the mike for an evening of good square dancing.

And remember, Barb and Steve will be there to get all the round dancers on the floor. Whether you round dance or not, you will enjoy the rounds while you catch your breath, grab a snack and rest up for the next lively tip.

Come join us for the best in dancing fun and a good cup of coffee. We'll see you across a square or around a round.

DON'T FORGET THE CENTRAL DISTRICT DANCE ON SATURDAY, MARCH 31ST. See you there!!

Patrick's Day this year. Whether or not you wear green, you're sure to have a good time at the Ozark Whirlers this month.

Bob Huff calls our first dance on the 3rd. No need to bring a lucky charm, one can always count on a good dance with Bob. If Santa's elves are jolly, what are Leprechauns? Lynn Nelson is neither an elf, a giant, nor a leprechaun, and she may not be wearing green or say Ho! Ho! Ho!, but she could be called jolly! Expect fun with Lynn on the 17th. Our 5th Saturday dance is cancelled so all can enjoy the district dance on the 31st.

Well, we've made it through January and February. Now that March is here we know spring can't be too far away. I think everyone is more than ready for spring this year – we certainly are!

The Twirlers have been busy dancing in spite of all the cold

weather. Our annual Dome Dance at the State Capital Building was another successful dance. We had three callers in attendance and all three called making it an extra special evening. There was a good crowd attending and all left looking forward to next year.

March brings the Twirlers two good dances. On March 2nd our own Larry Dudgeon will be calling our dance. Then on March 16th Kenton Sullivan will be with us. Both these callers always call lively fun-filled dances, so make plans to attend both dances if possible. Both will be held at the Richland Elementary School in Richland, 8-10:30.

We hope everyone will make plans to attend the Central District Dance on March 31st to be held at the Esther Elementary School in Lebanon. It should be a fun dance!

**THE 48TH ANNUAL MISSOURI STATE
SQUARE 'N ROUND DANCE FESTIVAL
OCTOBER 19, 20, 21, 2007
KENNETH COWAN CIVIC CENTER
LEBANON, MISSOURI**

Dear Square Dancers,

The 48th Annual Missouri State Dance is moving closer, and things are falling into place.

Club Packets were distributed to the District Presidents at the February State Meeting. Your Booster Ribbons were given to them for distribution to your Clubs.

Raffle Tickets were included in those packets, and we remind you that your club can make a good hunk of change (50 cents out of every \$1.00) from selling these tickets. Remember, they can be sold to anyone, and they do not have to be present to win the prizes.

We included some Pre-Registration forms (you can also find this form here in the DOIN'S). Please consider Pre-Registering as this really helps the "cause" and it is the "ONLY" way that you can get a Festival Souvenir Book. By Pre-registering and giving \$1.00 more, you will receive a full size multi-page Souvenir Book.

Advertising forms included in the packet with prices for Dancers and Non-Dancers. This is a good way for Square Dancers to say "HI" to their fellow dancers, and it is something to put in their Scrapbook. See your Club President for more information.

Forms for the Fashion Show were also included. Please consider participating in the Fashion Show; this is a great event and everyone loves to see the new ideas.

The Dance will be here in around eight months. That seems like a long time, but time has a way of slipping up on us; and before you know it, time is gone. Please give us your help by selling the Raffle Tickets, Pre-Registering/Purchasing a Souvenir Book, selling and or placing an ad in our Souvenir Book and participating in the Fashion Show.

Members of this committee plan to attend dances in all seven Districts to promote the Festival and to extend our thanks to you for your help in making this a successful event.

Thanks.

March brings in the first day of spring (March 21st) and boy are we ready!! We were spared a lot of the discomfort suffered by many others from the storms and ice, but it seems like a long winter. Let's get into the swing of dancing on a regular schedule now that spring is here and we have daylight savings time (March 11) to give us more light to travel with.

We have two dances in March. We start off with Gene Wilson on March 3. This dance will start at 7:30 and I am sure Gene will provide a lot of good music and moves.

The second dance is one of our specials. Jerry Routh will kick us off on March 17. We will celebrate St. Patrick's Day a little different this year. We are going to have a Soup and Chili Supper starting at 7:00 and a great dance at 8:00. We have enjoyed trying delicious soup and chili at other clubs. Now come and see what we learned from you and enjoy what we have to offer! I am sure this will be a good night of food and dance. Let's get these new dancers out there on the floor at as many clubs as we can. Great to have new dancers enjoy our favorite pastime.

See you soon around the square.

As always, B-N-R Squares have some special dances on tap for the spring and summer. Our first special caller this season will be Tim Tyl. Please fill the hall at Gashland UMC on April 20th and plan to have a great time with this Texas Tornado. We look forward to having you come . . .

The Crosstrailers are inviting everyone to our "St. Paddy's Day Dance" on March 17th. Our own leprechaun, Mr. Stan "The Man" Brooke, will have you dancing a jig around the square. Janet Hicks will be "lining" up the Irish. Our President, Chuck & Marian Millett, will welcome all of you "Wee Little People" to the festivities. "Glory be", everyone's Irish on St. Patrick's Day.

Thank you to our visitors in January, especially the Jacks 'N' Queens who turned out on a snowy night to dance with us. We thank all our visitors this year and appreciate your support!

We welcome all the new dancers who have graduated recently and invite you to our dances. We are proud to have you join us.

We thank all the dancers riding the bus with us to the Pre-Convention Dance in Wichita, March 31st. We'll have a great time. Let's all support Kansas in having the 2008 National Convention.

April 21st is our "April Showers Dance". No rain inside, only sunny calling with Stan, puddle free lines with Janet and a warm welcome from the Crosstrailers.

The month of March is upon us. How unpredictable this time of year is. One day it's hot, the next is cold, and the wind seems to always be blowing. One thing for sure, the Promenaders will be having three good dances this month (depending upon the weather). On March 8th Stan Brooke will call our "Shamrocks Galore Dance." Sounds a mite close to St. Patrick's Day, so come and wear some green and be aware of the green treats.

On March 22nd we will be entertained by Al Block as we present the "March for the Bears" Dance. Bring a bear (not live please) to help the police for their program and enjoy a good dance with some delicious treats also.

And last, but not least, March 29th will be "Fun in the Dark." This dance is in celebration of the dance we had, unexpectedly, without power, and Stan and Al called a cappella style until the lights came back on.

Jim Windhausen does the line dance cueing for us as always. We hope to see you visiting with us, and a Happy St. Patrick's Day to all!

On March 9 our St. Patrick's Dane will feature George Dunbar and cuer to be announced. Doug Mallory and Judy Scherrer will do the honors on March 23. These will be fun evenings. I hope to see you all there.

West County Spinners is enjoying our new home at Trinity and it will give us ample space for our annual Tony Oxendine dance on March 3rd. This is one of the few times that Tony calls in our area, so be sure to put it on your calendar. We also have 2 local favorites: Bud Cutter on March 19 and George Dunbar (mainstream dance) on March 26. Rounds by our own Pat/Joe Hilton except for the mainstream dance.

At our Christmas dinner/dance, Spinners again brought gifts/toys that were delivered to the Missouri Baptist Children's Home by Ann and Gerry Fleming. We received a most heartwarming 'thank you' from the homes' administrator, which makes us realize how a small act on our part can have such a positive impact on someone else's life. We also received a grateful 'thank you' from Circle of Concern for the food collected at the same dance. We know that WCS is not unique in this effort, just another example of the joys and generosity of square *dancers*.

Square dancing! What a wonderful pastime! It's amazing to me that everyone isn't doing it! Yet many people look at me like I have two heads when I encourage them to take square dance lessons.

Have you ever wished that you could present your enthusiasm for square dancing to your couch potato friends in a way that would have them offering to mow your lawn every week for the rest of their life if you will let them come to the next dance with you? I have! Maybe we just need to be more eloquent and persuasive--Maybe what we need is a little bit of blarney!

I'm told that north of the city of Cork, Ireland near the village of Blarney, stands the almost 90 feet high tower of the Blarney Castle. On the top story, just below the battlements on the parapet, is the world famous Blarney Stone, said to give the gift of eloquence to all

who kiss it. In past times, to kiss the Stone people were hung by their heels over the edge of the parapet. One day a pilgrim broke from the grasp of his friends and went hurtling downward to his death!

Since that time pilgrims have developed a more sensible, OSHA approved method for kissing the stone: First, you sit with your back towards the stone and then someone sits upon your legs or firmly holds your feet. Next, leaning far back and downward into the abyss while grasping the iron rails, you lower yourself until your head is even with the stone to be kissed.

Well, we may not be able to travel to Cork, Ireland to kiss the Blarney Stone, but you can come to the Mountain View Dance on Saturday, March 3rd to dance with us to the lively calling of our own local leprechaun, Jim Ryan. And, while you're here, don't miss the chance to kiss our portable piece of the famous Blarney Stone! (Okay, maybe it's a piece of the Ozark Blarney Stone, but the magic is there, folks! The magic is there!) You will have your name put in a drawing to win a special prize! If nothing else, you'll have an

It is with sadness that we report the loss of our friend Gary Harper. We will miss him. Keep his wife Jaime in your thoughts and prayers.

2nd & 4th Friday
Jerry Hay

Here it is March and after all the snow and ice and electricity shortages, I'm sure all of our friends in Missouri and Bella Vista area are especially ready for the warmth and no forecasts that include the words snow or ice.

We are so excited about our new dancers. I know I have said this before, but they are excelling in every way and have been a real boost to our club. We aren't holding a new class this spring, but we are continuing teaching mainstream and plus on Tuesday evenings for everyone. We would love to welcome you also if you would like to sharpen up some of your steps or just want to have another day to visit with some of the best people on earth – square dancers.

Our first dance is March 9 with Jerry Hay calling. Since it is the week before St. Patrick's Day, there may be a little blarney around the room, not that there wouldn't be any other time. On March 23rd Johnny

Eubanks will be calling for us, so come on out and join us.

March is a great month. Don’t know yet if it’s going to look like a breath of spring or the end of a long, hard winter; but it should bring brighter days and fairer weather.

Tri-State is hosting a couple of fine dances this March. The one and only Mr. Van Greenwood and Jay will be calling the March 11th dance. Wonder what sort of wit and wisdom Van will be sharing with us? Then on March 25th we will be celebrating the arrival of Spring with Jay at the mike and Mary “Mary” Castleberry cueing rounds for both dances. Hope to see you there!

We're getting closer to Spring – let's hope all the snow, ice and bad weather is behind us! It seemed to last forever; but through it all, square dancers had a good time. I'm sure everyone is ready for those Spring flowers, warm weather and sunshine and lots of square dancing fun.

The Grin 'N Squares would like to invite you to our only dance in March, which is on the 3rd, with Bill Kanai doing the calling. It's our "Luck of the Irish Dance" and you will be in for a great night of fun dancing with Bill. He always calls a good dance.

DID YOU KNOW?

- Approximately 20 million Americans have kidney disease, including several of our own square-dancing friends!
- Early stages of kidney disease may have no symptoms.
- Undetected kidney disease can progress to kidney failure, with little or no warning.
- The good news is that simple tests are available to detect kidney disease, and it can be treated if found early.

Progress has been made but we need to do more! Come join us for a special night of dancing and fellowship. Enter our Kidney-

It's a Spring Fling/Cupid Dance. What better time of the year to have a Spring Fling than after Cupid's been hanging around for a while. I'll bet some of you wonder why our dances have two names. Well, to be sure, we don't know either. Apparently there were some mischievous elves or fairies or some such critters inhabiting the printing machine. So we got an over-abundance of names for our dances. Does that sound like a reasonable explanation? It does to me. We want to thank you all for coming to visit us and again thank those we have visited for being such great hosts.

What a winter – now on to Spring! By now we should be finished with plus lessons and it is always good to see where all the students come from. We usually have friends from several towns around either brushing up on their plus moves or coming to learn them. Makes it more fun to be able to dance at plus level.

We have two dances in March. The first one in on March 10 and Pat Coster calls for us. Maybe you have green to wear that night since it is as close as we get to St. Patrick's Day. Then, on March 24, our own

Kenny Bailey will put us through fun moves and pretty songs. He loves to sing and entertain us while we are sitting out. Also, line dances are favorites for some of our dancers and he will do that too.

Remember we are dancing at the Middle School West on Calhoun Street. Just get on Calhoun from Washington Street and “go west, young (or older) man!” We will watch for you!

The March wind doth blow and we shall have...no more snow!” At least that’s what we hope for. March brings windy days...kite flyin’... St. Patrick’s day...Crocus flowers pushing their way up (sometimes through snow)...new dancers...and...Spring.

We invite you to bring your new dancers to visit us. We have some in our Club and we enjoy them very much. We all need to be aware of new dancers and remember how we felt when we were the “new kids on the block”. Let us all remember to be kind and courteous and friendly...as we should be all the time...and usually are.

We’ll be “Flying High” this month...especially if you come visit us. We have been out and about making visits to some of you (between snow storms and ice). All that should be over and done with

by the time our dance comes around (although I do remember getting snow in April a couple of times). We’ll provide a warm welcome and we’ll do our best to keep things light and lively.

Our favorite Caller will keep us dancing and we’ll have tasty treats for you to munch on. So...come “fly” with us this month...we’ll try hard to return your visit.

Everyone knows that March is a windy month, but does everybody now what’s “Blowing in the Wind” over at the Little Blue Barn? You may have guessed it – a lot of great dancing and some tasty treats. The great haze of winter is upon us, and unless we get out and dance it away, it may overcome us. So blow away your cares, shoo away the blues, and whisk in a little sunshine where it’s happenin’, folks – right here at the home of the Silver Dollar Squares. And don’t forget to mark your calendar for March 3rd, the first Saturday night in March. Then, here we go with a do sa do again on the 3rd Saturday, the 17th of March with St. Patty’s Potatoes. Bet you were wondering just when the Dollars would be stirring up some grub again. (After our big chili dance in January, we’re finally rested up and ready to go again with some loaded

baked potatoes.) So come on out for the cyclonic March dances at the Little Blue Barn with our typhoon caller, Gene Miller (not to mention the windy chatter person).

Volunteers Wanted

Want to be involved in a spectacular event that is completely run by volunteer dancers and callers and will be held close to home in 2008?

Want to see 10,000 or more dancers all in one place at one time doing what we all love to do – DANCE?

Helpers are needed in all areas, but we are especially interested in volunteers to help in the Education area.

Volunteers are needed to assist in the following areas:

1. Vice Chairman of Organizations – oversees Directors of Round Table Discussion, Showcase of Ideas, Publications Display, and Bid Session.
2. Director of Round Table Discussion – supervise a 2-hour panel on a topic of interest to square dance leaders; exchange of information and ideas that will make our hobby grow.
3. Director of Publications – coordinate an interesting display of square dance magazines received by the Publicity Committee. Plan for the layout and display of the historical collection of Convention Program books. (may need 4-6 helpers to set up and tear down)
4. Director of Reports and Statistics - work mostly in the Coordinating room making sure that all data is collected from the host/hostess workers. Attention to detail during the convention necessary.
5. Director of Showcase of Ideas – organize the layout and plans for the Showcase of Ideas. Will need 8-10 helpers to assist in set-up and take-down of display tables.
6. Assistant Director for Showcase of Ideas – help the Director of Showcase of Ideas.
7. Showcase of Ideas host/hostess – check in organizations that have tables in the Showcase. Direct them to their tables. (8-10 people working 2-hour shifts each day)
8. Education Coordinating Room helpers – check in the people who are presenting the clinics, panels and seminars. Make sure they have everything they are supposed to have.
9. Clinic host/hostess – introduce the speaker, count the number of people in attendance, report this info to the Education Coordinating Room (probably need about 8 people)
10. Panel host/hostess - introduce the speaker, count the number of people in attendance, report this info to the Education Coordinating Room (probably need about 15 people)XF.630
11. Seminar host/hostess - introduce the speaker, count the number of people in attendance, report this info to the Education Coordinating Room (probably need about 15 people)

Some jobs have responsibilities right now and for the Pre-Convention to be held March 31, 2007; some volunteers will only be needed for a short time during the National Convention, June 25-28, 2008 in Wichita.

Call Jim and Edythe Weber at (816) 781-3598 or e-mail education@57nsdc.com to let us know how you would like to help. We are collecting names of volunteers and will have something for everyone to do that wants to help.

PLEASE MAKE COPIES AND SHARE WITH ALL YOUR CLUB MEMBERS. THANKS.
