# Presidents' Notes

**W**e say **Hello!** We are pleased to serve as the new presidents of the Missouri Federation of Square 'N Round Dances Clubs for 2010. We are always willing to listen to ideas and suggestions through the coming year to promote square dancing in our Missouri communities.

Districts, Clubs, and Callers coming together, adopting a church, school and retirement community, do an exhibit or take part in special event. Start with free lessons and work right in to regular lessons. As clubs starting a new year let's make square dancing visible. Callers also have interest promoting and maintaining square dancing lessons, too.

We look forward to visiting all the Districts in the coming year, coming back to the state meeting with new ideas and suggestions to help the growth of numbers in square and round dancing.

Hope you all had a good holiday season and are ready to start a terrific new year.

## **DANCING UNINSURED - WHAT IT MEANS TO YOU**

by Dave Shafer

**I**t is unfortunate, but each year several dancers become injured while at a square dance or while traveling to or from an authorized dance/event. So who pays for the medical expenses, property damages and other expenses associated with the incident? Your club? You? The individual(s)? Read on.

Is your square or round dance club conducting dances or sponsoring dance activities without General Liability and Accident Medical Expense coverage? Do you know that if your club is not insured and someone is hurt while attending your club activity, every member in your club may become financially responsible for paying all medical and damage costs associated with the bodily injury if a law suit is brought against your club due to negligence by your club or someone attending your function? Without insurance, you and your fellow club members may also assume the liability for any property damages to the dance hall that may occur during your scheduled and sponsored dancing activities due to negligence or willful destruction by someone attending your function.

You and your club can be protected by purchasing General Liability and Accident Medical Expense insurance for as little as \$4.50 per person. Your club receives \$1,000,000.00 combined single limit of liability for bodily injury and property damage per occurrence (with a \$100.00 deductible per claim) while participating in scheduled and sponsored dancing activities. The club and the members are covered while participating. This insurance is offered through the United Square Dancers of America. It is so simple to purchase and the protection benefits are so beneficial to every member.

Dancers also receive Accidental Medical Insurance in the amount of \$10,000. This includes Accident Medical/Dental Accident expenses; Accidental Death; Dismemberment Benefit for loss of both hands, arms, eyes, and \$5,000.00 Dismemberment Benefit for loss of one hand, arm, eye.

Club members are covered while participating in any regularly scheduled and sponsored activity, worldwide, including group travel (10 or more members) in a commercially licensed carrier vehicle operated by a person holding a valid operator's license for such vehicle, while being transported to or from a covered dancing activity which is a minimum of 25 miles from point of origin to destination (one way).

While some clubs purchase the insurance for their membership, others include the annual \$4.50 premium in their club's annual membership dues. Then all the club's insurance coordinator has to do is complete the request for dance location certificates, include a copy of the club roster and send the completed packet with a check to the State Insurance Chairman. To purchase this insurance requires that every member in the club be enrolled. The minimum fee per club is \$45.00 regardless of how small a club membership is. Can YOU and YOUR club afford not to be insured?

If you or your club would like more information about becoming insured, please contact Dave Turner, Chairman of the Federation Insurance Committee, at 636-227-6380 immediately.

Winter is known for its cold and dreary weather, sometimes dangerous. It also has its own special beauty when shimmering icicles form, snow blankets the ground, and barren trees against the sky form interesting patterns. Whatever the weather, expect warmth and friendly faces around a square at the Millstone Wheelers this winter. Each caller and dance, like snowflakes, is unique with their own

special qualities and pattern. Though dances, like foliage, are scarce the next two months, expect a great time at the two dances we have in January and February.

January 3 the dance is canceled due to the holiday weekend, but we come back strong on the 17th with James "Jammer" Cochran.

In February our first dance on the 7th is cancelled because it's Super Bowl Sunday; but enjoy our President's dance on the 21st with Jerry Routh.

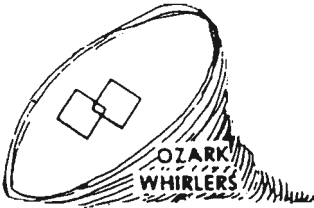

Barb is unavailable for rounds in January and February. Round dancers, there may still be rounds, though not with Barb.

We've come full circle. Autumn turns into winter, the old year turns into the new. All of the year-end festivities are behind us and we're on the long, cold stretch to spring. In January we start the year off with **Gene Wilson** keeping us warm and cozy on the 14th. On the 28th, we will have **Doug Mallory** for our Chili and Soup Night.

When I was a child 2010 was a year so far away I couldn't even imagine it – now I can hardly believe how fast it got here! It's a new year and traditionally a time for making resolutions. I hope one which we will all make is to work harder in our square dance clubs and try to encourage more people to dance.

The Twirlers have several good dances coming up in January and February. Our Jan. 1 dance has been canceled. Our second dance on Jan. 15th will feature Lanny Weakland calling. Then in February, Mike Corns will call our dance on Friday the 5th, and John Eubanks will be doing the honors on February 19th. All these

dances are sure to be fun dances and a great way to start the year off right.

All these dances will be held at the Richland Community Center in Shady Dell Park. We invite each of you to join us for good dancing and fun fellowship!

The Twirlers wish everyone best wishes and good health this coming year.

Hope your Christmas season has been filled with family, friends, and blessings of all sorts.

We wish you and yours a wonderful New Year.

A new year and new students/members! Capital City Squares has started a New Year with several new dancers and they enjoyed successful mainstream lessons so much they are starting Plus lessons with Bob Huff on Jan. 14, 2010, at McClung Park 7p to 9p. Everyone is welcome to try these Plus lessons for a small fee, contact Ruth Wheeler, club president, to get your name on the list or show up at the door that night.

The dances to start out 2010 are: Jan. 16 - Greg Edison and Jan. 30 - Kenny Bailey; Feb 13 - Bob Huff and Feb. 27 - Kevin Bersing. Bring your new members and let’s start the New Year dancing. Remember: 7 p.m. is round dancing with Marilyn & Bob, and 7:30pm to 10pm is square dancing.

A special thanks to Gene Wilson. At our Nov. 21st dance we had 3 students present and our visiting dancers and club members had them on the floor dancing mainstream, and considering two of them have only had two lessons they all danced well.

Come and join us around the square for 2010!

It is with much sadness that I have to write this report that the Kirkville Country Cousins members voted in Oct. at our annual meeting to disband our club as of Dec. 31, 2009. ## TROPHIES FOR EDUCATION

**F**unding education in our communities is an important issue to many of us. In business only one and a half years, David Christopher, owner of the Trophy Barn in West Plains, Missouri established the Trophies for Education program in 2008 to assist students achieve academic excellence. This program had its origin during a Sunday School class discussion about the number of children in elementary school qualifying for low or no-cost lunches. There are children in the schools that don't have the basic tools they need for learning, such as backpacks, notebooks, pencils, or pens. In an effort to make a difference in the schools of their customers, the "Trophies for Education Program" was launched.

The program is easy to use and it makes a difference in the lives of many children. The Trophy Barn donates five-percent of the cost of every trophy, plaque, name tag, ribbon, engraved gift item or other item purchased in their store (or by phone, webpage, or e-mail) to the school of your choice. Whenever an order is placed, the purchaser should tell them which school they wish their donation to go to. This can be any elementary, middle, high school or college, public or private, including church schools. The more items sold, the more the schools receive.

At the end of each year, all the monies collected is given to the designated school districts with a suggestion that the money be used for students who are in financial need, for meals or other necessary items. More than \$1,800.00 was given to schools throughout Missouri earlier this year.

For further information, call David, Linda or Charlotte at the Trophy Barn. Their phone number is: 417-256-2130 or 888-295-5878 toll free.

If you wish to visit their web site it is [www.trophybarn.com](http://www.trophybarn.com).

## TRAVEL MISSOURI

TRAVEL MISSOURI is a statewide visitation program of the Missouri Federation of Square 'n Round Dance Clubs.

It has been approved by the Council of District Presidents as an enjoyable method to enhance the dancing experience by expanding to include different dancers, clubs, callers and areas of our great state.

Participants if they so desire, may let people know what they have done by displaying the TRAVEL MISSOURI Bar and District Dangles identifying where they have danced.

### BASIC RULES

1. The TRAVEL MISSOURI is available to any dancer within the Missouri Federation.
2. The TRAVEL MISSOURI traveling program includes visitation to the seven districts and the Missouri Federation Annual Festival.
3. ALL SQUARE AND ROUND DANCES ARE TRAVEL MISSOURI DANCES.
4. Participation in the TRAVEL MISSOURI cost nothing; however, the participant may at their discretion obtain the Travel Missouri Bar and earn dangles from the Program Manager. To earn dangles you will need a TRAVEL MISSOURI Card (which may be obtained from the Program Manager, District Presidents or Club Presidents). Each time a participant that has obtained the Travel Missouri Bar visits a different district he or she may have a card signed by the host club. To receive your Dangles, the signed card is sent to the Program Manager and the dangles and a new card will be sent to you.

Copies of the TRAVEL MISSOURI Brochure and travel cards will be available from District Presidents, Club Presidents or on the web site:  
[www.squaredancemissouri.com](http://www.squaredancemissouri.com).

*District Dance – July 31, 2010*

We look forward to a great 2010! We look forward to our district clubs becoming more active in the district with each club having a representative at each meeting – communication is key to active participation. We meet 4 times a year, and that's not too much to ask. (Am I dreaming!)

At the October 2009 district meeting it was voted to host our district dances on the **last Saturday of July each year**. So district clubs and callers, please mark your calendars and reserve the last Saturday of July for this year and future years and help support the district. All we need now is a location and a host club! So come prepared to say "what can we do to help" at our January 24th district meeting.

Happy New Year to all our square dance friends. We hope that you all had wonderful holidays and are ready to get back in the "swing" of things.

Our January 22nd dance will be a 50's dance so dig out your penny loafers and poodle skirts and come on up to Gashland UMC. I'll see how many golden oldies I can come up with and we'll have a real cool time.

On February 26th, we will have a Canary Dance. By request, I'll be singing like a canary at our all singing calls dance. If you have a favorite, this would be a good time to request it. This is also a good time to bring your new dancers to hear a different caller. Singing calls tend to be easier for new dancers due to the repetition of the figures.

I'd like to also invite you to come to Croco Hall in Topeka on February 6th and enjoy the NE KS Callers' Festival. It's a great place to dance and we'd love to have you join us.

Warm friendships and sweet treats are always the order of the day, so please come ... Be iN ouR Squares.

# Century Book Caller Collection Reaches 800 Names

A Century Book has room for 100 callers names. Only three names a day can be collected and names cannot be repeated.

**Charley Worthington** began square dancing in 1962 and began collecting callers names in a Century Book in 1983. Della Wiseman was the first caller in the Century Book. She was the Swingin' Singles caller at the time. Charley has just finished filling his 8th Century Book for a total of 800 callers names. The last two names, Don & Doug Sprosty (twins) were collected at the 39th National Singles "2009 Dance-A-Rama" in Davenport, Iowa.

Charley has danced in all 50 states, Austria and Canada. He danced in the Pentagon and lost his pants, as he has in 27 other states. He danced in Gettysburg, Pennsylvania, where his great grandfather fought in the Civil War.

Charley's record for the most states danced in during one day is five. He began in Kansas, then Oklahoma, Texas, New Mexico, Colorado, and ended in Kansas.

*Larry Liebig & Guest Callers*

**W**ell, Thanksgiving and Christmas are behind us and hopefully we all danced in the New Year. Let's make a resolution to travel and dance as much as possible in 2010.

Our first dance of the year will be on January 2 with Kenny Bailey calling for our annual Chili and Soup dance. We had over 10 varieties of soup and

chili last year and this year we are trying to top that. It is always a lot of fun when Kenny calls. Delicious soups and a great caller is a winning combination.

Our February dance falls on the 6th. It is another special dance for us with pies as our theme. Dave Riley will be calling for that one, so bring your dancing shoes and your appetite. We are really looking forward to seeing all the newly graduated dancers out there too. Make sure that we ask them to go with us and dance.

Our dances start at 7:30 at the Maysville High School in Maysville Missouri and we would love to have you in a square with us. Come and dance.

**3<sup>rd</sup> Saturday**

On February 20, will be the President's Dance. Club Presidents are admitted free with 3 paying couples.

WE WORK FOR THE SQUARE DANCER

# 2009 SQUARE DANCERS OF THE YEAR

## Robert & Shirley Turner Puxico Country Squares SOUTHEAST DISTRICT

Our 2009 “Square Dancers of the Year” have been involved in square dancing since they graduated and joined Puxico Country Squares in 1983, taking a short break while their 3 teenage boys were home.

They have held club positions of Secretary, Vice-President, Board of Directors, and Caller/Cuer Scheduling; Delegates to District and State; they

have been on committees such as Audit, Budget, and Constitution. They have been State Festival Chairman in 2003 and will again in 2011. They have been Executive board members of the SE District for 10 years, State Federation Treasurer, 3rd Vice-President, 1st Vice President, and finally President. They developed the Square Dancer of the Year Award, have served on the Site Screening and Caller/Cuer Hall of Fame Committees. They created a budget during their year as State President.

They are constantly encouraging the Puxico club as well as the Southeast District to try new ideas designed to promote the activity and fellowship of square dancing. They are in constant contact with club members initiating benefit dances for fellow square dancers and other organizations, demonstrations for nursing homes, VA hospitals, community fairs, Corps of Engineers, summer programs, Christmas light display, and many other activities.

Whatever needs to be done, angels, getting halls ready, promoting state and district activities, as well as working with church and community projects, they are there.

Throughout their active dancing years they have attended nearly every District Dance, State Dance and 13 National Conventions, as well as attending other club dances and district dances.

While traveling throughout the state, they have earned the Gold Bar for Travel Missouri, and are working on their 2nd year of the next level. Their smiling faces and friendly attitude are always welcome at any activity.

It is with great pleasure and honor, we present our 2009 Square Dancers of the Year award to Bob and Shirley Turner.

**JAY  
WRIGHT  
2009  
Hall of Fame  
Caller  
of the Year**

This year's Caller/Cuer Hall of Fame recipient, Jay Wright, began calling in 1980. He has been an active caller ever since that time. Jay is a member of the Callers Association of America. He has regularly called at the Missouri State Festival, including more than the last ten years.

When there was an occasion for a demonstration dance or a fundraiser, Jay was there ready and willing any time he was asked. When there was a cancellation by a caller, Jay would travel on a moment's notice to fill the vacancy at any club in driving distance, if he was available.

Jay Wright has been the Master of Ceremonies at several of the Southwest District Dances and other special dances over the years. His great personality and quick humor made him a lively choice for the occasion. It would not be unusual to see the name, Jay Wright, on a square dance schedule anywhere in the State from Poplar Bluff to Laurie to Springfield or Joplin. Jay has given lessons for many years for both mainstream and plus level square dancing and his dancers are known for their proficiency.

In the past Jay was the club caller for the Lake Stockton Squares and the Sheldon Old Settlers. Jay Wright has been the club caller for the past twenty years for the Mo-Kan Squares in Nevada and the Tri-State Swingles in Joplin. He also helped with the Appleton City Square Dance Club and the Tri-County Squares in El Dorado Springs.

For his dedication to the promotion of square dancing, the Missouri Federation of Square 'n Round Dance Clubs is proud to name Jay Wright as the inductee to the Caller/Cuer Hall of Fame for 2009.

# YOUTH CURRICULUM INTRODUCED

by Dave Shafer

The annual Missouri Association for Health, Physical Education, Recreation and Dance (MOAPHERD) convention for physical education teachers took place on November 13th at Lodge of the Four Seasons. This is the fourth year that the Missouri Federation of Square ‘n Round Dance Clubs, Inc. has presented a program of instruction that encourages teachers to teach square dancing in Missouri schools. During our first presentation, a hand-full of teachers attended, but each year since the number of participants has increased.

When Sharon Crisel, Gene and Martha Wilson, and Dee and I arrived, we had no idea as to how many teachers would attend our session. We are happy to say that more than five squares attended, including several children. That includes

one male teacher who was lost and came in by accident. We nabbed him before he could turn around at the door and leave, much to his enjoyment.

In the past, callers who graciously donated their time would be introduced and proceed to teach the basics of square dancing. The teachers always had a great time dancing, but they weren't really learning to instruct square dancing. At the end of these sessions, hand-outs were given to the teachers, e.g. "Courtesy in Square Dancing," "History of Square Dancing," etc. We also passed out a copy of the USDA's DVD pertaining to learning to square dance.

This year was a little different because we now have a draft Youth Square Dancing Curriculum Guide. Sharon Crisel used some of the \$500 grant money received from the Alliance of Rounds, Traditional and Square Dance (ARTS) to make 40 copies of the curriculum guide to pass out at the convention. Gene Wilson did an outstanding job showing teachers how easy it is to teach square dancing using some of the curriculum material. We thank Gene profusely. The teachers had questions that were answered. And, they were excited to find that they were to receive a copy of the draft curriculum guide to take with them. With the guide, we provided a list of Missouri callers so teachers may contact them. Many expressed a high interest in using our curriculum to reintroduce square dancing in their schools. They were all excited to know that the final draft curriculum guide is almost completed and are looking forward to receiving a copy of the final product. According to the course evaluations initially turned in, we were well received by everyone.

We have been pleased to have such good dances. We say thanks to the clubs who have visited us and we are having fun returning those visits. That's what it's all about!

Time flies! Here it is 2010. We start the New Year with our Snowflake Dance, Jan. 9th. Does that mean we're flakey?

Then comes February and we really have a treat for you. Friday, Feb. 12th is our Valentine's Dance. You not only get to dance to Al Block, but also Kenny Bailey. Al invited Kenny to Odessa to call with him and he said "yes." We are

so excited. These two guys will be so much fun together. Even though this dance is special, we will treat it like a regular dance. Come to Odessa and get two for the price of one!

# MARVIN FLUKE

September 23, 1923 – October 18, 2009

Marvin Fluke was born in Canton, Illinois the youngest of seven children. He joined the U.S. Army in 1944 and served during World War II, where he obtained the rank of Staff Sergeant. Marvin married Bettyrae on April 21, 1945 and their early life was spent in Canton, where Marvin was employed by Peabody Coal Company. He was transferred to Clinton, Missouri in 1958, working at the mine in Montrose as a heavy equipment operator for a total of 41 years, retiring in 1988.

Marvin was a Jubilee 50-year member of the Clinton United Methodist Church, the Samaritan Builders Sunday School Class, and the United Methodist Men. Marvin was also a member of the United Mine Workers, the Hardee's Coffee Group. He helped with the Henry County over 20 years and volunteered as a greeter at the Henry in Clinton. County Museum

Both Marvin and served in most offices at the club and district level, advancing and serving as president of the Missouri Federation in 2000. They served as chairman of the State Promotions and License Plate Committee, chaired the Research and Funding Committee in 2001, and originated and served as Chairman of the "Let's Toot Your Horn" program. They were delegates several years to the United Square Dancers of America (USDA) meetings, attending national conventions. Marvin and Bettyrae were selected "Square Dancer of the Year" in 2003, an honor they so well deserved.

Marvin leaves behind his loving dance partner, Bettyrae, two daughters, two grandchildren, five great-grandchildren, and many other relatives, friends, and fellow dancers too numerous to mention. Marvin will be greatly missed, but you can bet he's dancing in heaven.

**G**reat news! We are adding a new dance night. Please mark your calendars as we have made big changes.

January we will be dancing on Saturday the 9th and Friday on the 22nd. Time will be 8:00 - 10:30 with Larry doing the calling. We are having lessons and will be having graduation, so come and meet our new members. We are in hopes that you will be able to come to one of our dances.

In February the dances will be on Saturday the 13th and Friday the 26th. We hope that we will be seeing you in a square real soon.

**T**he Golden Valley Funtimers will not dance in January. The dance night falls on the last day of the big holiday and with all of the company that we have, we decided not to dance. But Feb. 7 there will be a big dance. We will start at 5:00 with a Plus Review Class for those who would like to learn more about plus dancing. Then at 6:45, we will do DBD and APD and whatever Bill will think up for us. At 7:00, the regular dance will start if Bill is still going. I'll bet he is and will have many new things to try on the dancers just to see if he can break all of us down. Some nights, he does a pretty good job of it.

Then at 9:00 the dancers will move to the Pizza Glen for salads and pizza. That is a fun time for everyone.

Come and review then stay for the dance.

**F**lakey Fiesta, January 15th. Guest Caller – **Jerry Routh**. We are having a Fiesta, may be snowflakes, may be “Flakey” dancers, or maybe a little of both - whichever, it will be fun. Larry has gone south again so Jerry Routh has agreed to come and call for us. We enjoy dancing to Jerry and Sharon and we are sure you will too. It is great to see the new dancers out and about, don't forget the days when we were new dancers and that helping hand that was there when you needed it. We will have some good snacks.

**Lovers Leap (every chance they get) February 19th.** Guest Caller – Jay Wright. Jay comes from down around Nevada way. If you haven't danced to him before you are in for a treat. Come and join us, we have some very long time lovers and some very new ones dancing with us. We love them all. **Presidents Day** this month, if you share a birthday with any one of them come on down and we will wish you a special Happy Birthday, too.

Then on January 23, club caller Kenny Bailey is at the mike and you know what that means – not only good square dancing, but line dances and being entertained while we eat. Kenny uses his beautiful singing voice to sing a variety of old and new songs. Come request your favorite.

Al Block will call the Peppy Promenaders dance on February 13. Welcome, all you Valentine sweethearts and dancers! Also all you NEW dancers, please come dance with us.

On February 27 Kenny Bailey returns to the microphone to call for his own club. See you there.

Welcome to a New Year. We predict a good year for all! (Power of Positive Thinking) Hope your Holidays were “merry and bright” and all your Christmas wishes came true. We wish for you to come dance with us!

We’ll be dancing on January 24 and with Soup & Chili for our visitors and lots of good dancing. We welcome visitors and we will return your visit.

We are vigorous visitors — we just don’t do banners. Lessons will be over and we’ll have some new dancers. We hope your club does too.

February has taken on a patriotic look with presidential birthdays so we are celebrating with a “Red, White and Blue Dance” on February 28. Dig out those duds you usually save for July, put ‘em on, and come to see us. We’ll have good snacks for you and Bob will call a great dance as usual.

See you soon and Happy New Year!

Then, on February 6th, join our “Sweetheart Promenade.” Make someone’s heart flutter that night! Last, but not least, on February 20th we’ll have baked goodies at our “Rise and Shine” Dance. Hope to see you real soon!

Hey get your **Sweethearts** and come to a great dance on **February 20th** featuring our guest caller **Kenny Bailey** (our very own cupid!) His arrows may fall in a Square or a Line Dance (he will be calling both.) Food and fun are in store, hope to see you there!

Celebrating New Year's Eve in grand style has created a need for the Trenton T Squares to cancel their January 1, 2010 dance. Hope you all had a good time and will be ready to dance at Trenton in February.

The sweetheart of a caller, Kenny Bailey, will be calling our dance on February 5. Ask your favorite sweetheart to a special night out. Come dance with us for an early start on the love month celebrations. We will be looking for you!

Are you dreaming of warm sunny beaches, temperatures in the 80's, girls in bikinis (Bill, that one is for you!), boys in tank tops (hey, this one's for me!), drinks with those little umbrellas? Well, you need to come on over to our January 23, 2010

"Summer in January" dance and see what's happening in the Little Blue Barn. We'll warm things up with our dance workshop at 7:00 pm and mainstream and plus tips at 7:30 pm. You're sure to have a good time at this dance – come casual if you'd like. Wear shorts if you dare! Square dance attire is always welcome!

Please come to our February 27 "Have a Heart" dance. We will be collecting new boxes of 24 crayons, color books and teddy bears for donation to Children's Mercy Hospital.

Trick Trackers are trying something new this year. We will have dance workshops from 7:00-7:30 p.m. starting at our October dance. "EAST COAST SWING" in OCTOBER & NOVEMBER taught by Mick & Mavis Gippner (aka Fred & Ginger). If there is enough interest in these lessons, the "WALTZ" will be taught in January. Please call our Contact Person if you have any questions.

# DO YOU KNOW

by Dave Shafer

Keeping your membership aware of and up to date on matters is extremely important. Here, I will attempt to provide you with a few guidelines on getting the most out of your newsletters. There are hundreds of ideas on the internet.

Newsletters are used to keep club members up-to-date with information and news that may be of interest or use to them. To be effective, newsletters should be informative about up-coming activities/programs, and contain recent news or information about your club or member(s). News is news only if it is current, otherwise it is history. Newsletters should contain information about what is taking place in the district and state federation, such as current dancer issues for programs such as state license plates, Toot Our Horns, Travel Missouri, club insurance, etc.

Remember, what may not be news or of interest to you, may be of great interest to others. Newsletters are for educating and informing readers about events and programs at the local, district, state and national levels. Include a calendar of events that list club, district and state functions. Distribute the newsletter in a timely manner so that everyone has an opportunity to participate in upcoming activities.

Newsletters may be one page or more. Keep your stories short, simple, clean and to the point. Good writing commands attention, even if your newsletter lacks creativity or good design. Keep the appearance of the newsletter neat and legible. If you want to be professional in your writing, there are several style books that can be used, e.g. The Associated Press Style Book, The Washington Post Desk Book on Styles, and many more. When you have completed the newsletter, have someone check your articles for grammar, spelling, punctuation, syntax, and clarity of the information before running copies for distribution. Avoid expressions such as “a good time was had by all,” or “it goes without saying,” or “needless to say.” Be newsy, but keep to the point.

If possible, include photographs and art work in your newsletter. This technique adds life to what is being read. But, don't get fancy with colored ink for text, newsletters look best and read best in either black or dark blue ink. If using color, use it sparingly for screen tints, large drop caps at the beginning of an article, page numbers and graphics that are repeated throughout the newsletter. Too much color is actually distracting. Many computers with programs such as Microsoft Word, Publisher or WordPerfect contain Newsletter templates. They can be very helpful.

**YOUTH HALL**

Horses? Racing? Fancy hats? Run for the Roses? Kentucky? Square dancing? What's the common thread? Derby Day in the Youth Hall at the 59th National Square Dance Convention in Louisville, Kentucky! Be sure to join us as the colts and fillies square up for the "fastest two minutes" in square dancing and as they don their derby hats for a Run for the Roses!

We'll keep toes tapping and hopping with our Hop-a-Long Frog Day. Build-a-Frog, sack-race dancing, and All Things Green are being planned for Froggy day.

The competition continues with All States Sports Day. Come show your support for your favorite sports teams. We hope to have representatives from around

the U.S. and, perhaps, the world! Buddy Bat from the Louisville Sluggers minor league baseball team will join us for a dance or two.

Shhh! We've heard it rumored that Southern Stars Youth Club will be sponsoring a Lights Out - Black Out After Party! Stay tuned for more updates, but be sure to make your plans. You won't want to miss a single minute!

**ROUND DANCING**

Three Round Dance hall will be provided. Showcase of Rounds will begin each morning at 9:30 AM in East Hall A. Following the Showcase of Rounds, you might want to attend the clinics offered in all three Round Dance halls and then dance the nights away with the evening rounds. The Phase 2 Hall (East Hall 3 & 4) has 5,928 square feet; Phase 3 & 4 Hall (East Hall A) has 18,144 square feet; and Phase 5 & 6 (Freedom Hall Ballroom) has 7,162 square feet.

**CONTRA DANCING**

Our Contra program is in the very capable hands of Stew & Kathie Shacklette, veterans of many National Square Dance Conventions<sup>®</sup>. They have a 5,000 square foot hall on the main hallway and invite you to join them for their Trail-End Dance on Wednesday night with a Live Band. Three full days are planned with seminars, clinics and dancing on Thursday, Friday and Saturday. In addition, the live band returns on Friday and Saturday evenings from 7:00 until 10:00 PM. This is a hall that anyone can enjoy, so be sure and stop by.

**CLOGGING HALL**

The Clogging Vice Chairman is planning a comprehensive clogging program for the Convention. There will be a fun "Introduction to Clogging" each day following the lunch hour. The first hour of each morning will be a quick teach/review of dances on the National Dance List (NDL). NDL dances are some oldies but goodies that have been danced over the years nationwide and everyone may learn the same dances. The Clogging program features instructors from across the U.S. and those currently doing required coursework toward their Certified Clogging Instructor designation to teach. The Clogging Hall will also feature teachers at all levels to accommodate beginners to advanced cloggers. Each evening will end with a Fun Dance hosted by various instructors.
