

Alliance of Rounds, Traditional and Square Dance

ARTS Report

October 20, 2024

I have been asked to see if anyone is using or has used the short videos that ARTS has made. If you don't know what I am talking about, check out the videos made by doctors on the benefits of square dancing that are online and available to use. https://www.arts-dance.org/Promotion_Videos.php. More videos on the health aspects of square dancing are planned, so watch for them.

Dan has a link on the Missouri Federation home page. Just click and watch. They are well done and useful to recruit new dancers. And they are FREE.

Also, ARTS has a new trifold brochure on the health benefits of square dancing. It is colorful and full of information. Just print it, type a label with your contact info on it, and use as much as you like. We should have had some of these at the State Fair!
