

**License Plate Coordinator Report
20 October, 2024**

My beginning balance after last report was \$350.

I have received two requests for two-year renewals (\$100).

I spent \$74 at Office Depot for copies of the "Dance With Pride" tri-fold.

This brings my checking account balance to \$376.00.

We are down several license plates this year based on the 2022 records.

Respectfully submitted,

Catherine McLemore
