

Doin's Editor Report

January 19, 2025

There were some issues getting the January-March 2025 issue out this time. I apologize that they used the wrong file to print the magazine. I pride myself on a very professional magazine and was so disappointed when I received my magazine in the mail to see that a mistake had been made at the printer. I have addressed this with the printer and steps will be put in place to make sure this does not happen again.

Our next deadline is February 15 for the April-May-June magazine.

If there are questions, please do not hesitate to contact me or anyone on the Doin's staff.
